### **ARTICLE V REVENUES AND EXPENSES; TAXES**

5.1 Licensee Revenues. The Licensee shall be entitled to retain, and the Licensor shall promptly pay to the Licensee to the extent received by the Licensor, all Licensee Revenues. For purposes of this Agreement, "Licensee Revenues" shall mean, without duplication, all revenue relating to Licensee Events and/or the Licensee, including all (a) General Seating Ticket Receipts; (b) the Ticket Component with respect to the use of all Premium Seating; (c) Retained Advertising Revenue; (d) NBA League Revenues; and (e) other revenues to which the Licensee is entitled pursuant to this Agreement or otherwise (including with respect to Licensee Event Tickets for Premium Seating for NBA Playoff Home Games at the Arena that are purchased

separately pursuant to Section 12.3). The Parties acknowledge that the Licensee's rights to the Licensee Revenues are rights that derive from the Licensee's ownership of the Team, irrespective of this Agreement and the Arena Agreement.

5.2 Payments to the Licensor. The Licensee, which, subject to the obligations contained in Section 5.7, has the exclusive right to sell Licensor Advertising Rights and Premium Seating (and collect and receive all Premium Seating License Fees and Licensor Advertising Revenue) pursuant to Article VIII and XII, shall pay to the Licensor the following amounts (collectively, the "Licensee Serviced Net Revenues") to the extent the applicable payor thereof does not pay such amount directly to the Licensor:

5.2.1 An amount equal to (a) the Premium Seating License Fees minus (b) the Premium Seating License Expenses.

5.2.2 An amount equal to (a) Licensor Advertising Revenue minus Advertising Expenses.

Within twenty (20) days after the last day of each calendar month, the Licensee shall prepare and provide to the Licensor a settlement statement of Licensee Serviced Net Revenues owed by the Licensee to the Licensor pursuant to this Section 5.2, current through Licensee Events through the last day of such calendar month. Licensee Serviced Net Revenues shown in such statement as payable to the Licensee shall be remitted to the Licensee with such statement. If and to the extent the Licensee is required to refund any amount to a Sponsor or a Premium Seating Licensee due to the failure to provide Licensor Advertising Rights or Premium Seating (including due to a Force Majeure Event or NBA Rules), then the Licensor shall bear (whether by direct payment to the applicable party, reimbursement to the Licensee or an offset against amounts otherwise payable to the Licensor hereunder) the amount so refunded (or portion thereof as is determined in good faith by the Licensor and the Licensee based on the fair market value of the Licensor Advertising Rights and/or Premium Seating not so provided to the Sponsor or Premium Seating Licensee, as applicable, if any portion of the amount so refunded also is attributable to other rights not received by the Sponsor or Premium Seating Licensee). The Licensee's obligations under this Section 5.2 with respect to any earned but unpaid Licensee Serviced Net Revenues during the final Operating Year survive the expiration or earlier termination of this Agreement. The Licensee acknowledges and agrees that the Licensee shall have no right to receive or retain any revenue from any Other Event. The Licensor shall be responsible for paying any taxes associated with Premium Seating License Fees and Licensor Advertising Revenue.

5.3 Revenue Retained by the Licensor. The Licensor (or its Affiliate in the case of Licensor Event Parking), which has the right to sell Merchandise, Concessions and Licensee Event Parking pursuant to Articles VII and X, shall be entitled to retain, and the Licensee shall promptly pay to the Licensor to the extent received by the Licensee, an amount equal to the sum of (a) Merchandise Revenue plus (b) Licensee Event Parking Revenue plus (c) Concession Revenues.

5.4 Ticket Surcharges.

5.4.1 All Qualified Tickets for Licensee Events shall be subject to a ticket surcharge equal to five percent (5%) of the Ticket Price (or, if lesser, the discounted or promotional price, if any, of the applicable Qualified Ticket) of such Qualified Tickets (the "Ticket Surcharge"); provided, however, that no Ticket Surcharge with respect to a Qualified Ticket shall be owing to the extent the Ticket Price is refunded to a holder of such Qualified Ticket.

5.4.2 To the extent the Licensee receives payments for Qualified Tickets for Licensee Events, on the second to last Business Day of each calendar month, the Licensee shall remit to the Licensor an amount equal to the sum of the Ticket Surcharge in respect of the payments so received by the Licensee.

5.5 Licensee Expenses.

5.5.1 Except as expressly required to be provided by or paid by the Licensor under the terms of this Agreement (including pursuant to Sections 5.2, 6.1 and 6.2), the Licensee shall be responsible for all Licensee Expenses. For purposes of this Agreement, "Licensee Expenses" shall mean all costs and expenses (a) actually incurred by the Licensor or the Licensee that are directly attributable to the Licensee's use of the Arena for a specific Licensee Event pursuant to Sections 6.3 and 6.4 and the proviso in Section 6.1.2 and (b) for which the Licensee is responsible pursuant to Sections 11.4.1 or 11.4.2.

5.5.2 Within fifteen (15) days after the end of each calendar month, the Licensor shall prepare and provide to the Licensee a settlement statement of Licensee Expenses incurred by the Licensor, current through Licensee Events through the last day of such calendar month. Amounts shown in such statement as payable by the Licensee shall be paid by the Licensee to the Licensor within five (5) Business Days after the Licensee's receipt thereof.

5.6 Licensee Event Report. Within one (1) Business Day following each Licensee Event, the Licensor shall prepare and provide the Licensee a report listing (a) all General Seating Ticket Receipts collected by the Licensor; (b) turnstile attendance count; and (c) any other Licensee Revenues received or collected by the Licensor, in each case with respect to such Licensee Event.

5.7 Rights and Obligations Regarding Licensee Serviced Retained Rights.

5.7.1 The Licensor hereby appoints the Licensee as its exclusive servicer and marketing agent (the Licensee, in such capacity, the "Servicing Agent") for, and the Servicing Agent hereby agrees to assume and perform, the sale, marketing and administration of the Licensor Advertising Rights and Premium Seating (collectively, the "Licensee Serviced Retained Rights") and the negotiation, drafting and administration of all agreements (including Premium Seating Licenses and Naming Rights Agreements) through which the Licensee exercises the Licensee Serviced Retained Rights (the "Licensee Serviced Retained Rights Agreements") in a manner consistent with the Servicing Standard.

5.7.2 The Servicing Agent shall perform its obligations as Servicing Agent in accordance with Applicable Law, the terms of this Agreement and the terms of the respective Licensee Serviced Retained Rights Agreements, and, to the extent consistent with the foregoing, further as follows: (i) on a commercially reasonable basis using that level of skill and judgment commensurate with that practiced by persons regularly performing such services, (ii) in such a manner so as not to intentionally detract from the generation of revenues from the Premium Seating License Fees and Licensor Advertising Revenue in favor of the generation of Licensee Revenues and (iii) with a view to the timely collection of all scheduled payments of Premium Seating License Fees and Licensor Advertising Revenue under the Licensee Serviced Retained Rights Agreements or, if a Licensee Serviced Retained Rights Agreement comes into and continues in default and if, in good faith and reasonable judgment of the Servicing Agent, no satisfactory arrangements can be made for the collection of the delinquent payments of Premium Seating License Fees and Licensor Advertising Revenues, the use of commercially reasonable efforts to maximize the recovery of such payments on such Licensee Serviced Retained Rights Agreements (the requirements set forth in the immediately foregoing clauses (i), (ii) and (iii), the “Servicing Standard”).

5.7.3 Without limiting the foregoing, the Servicing Agent shall perform the following marketing and administrative services, in accordance with the Servicing Standard, with respect to the Licensee Serviced Retained Rights:

(a) market the Licensee Serviced Retained Rights in accordance with the Servicing Standard;

(b) produce and provide Event Tickets for the Premium Seating marketed under this Agreement and perform all ticket administration services in connection therewith;

(c) consistent with the Servicing Standard, determine whether admission to any Restaurant Areas shall be limited to Premium Seating Licensees, and whether a separate fee shall be required in connection with such admission and, if so, the amount of such fee;

(d) develop proposals with respect to the marketing of the Premium Seating and proposals for the inclusion of additional or different amenities and services to be included in Premium Seating that can be expected to increase the Premium Seating License Fees;

(e) negotiate on the Licensor's behalf and upon consultation with the Licensor disputes with contracting parties in relation to the Licensee Serviced Retained Rights and the provisions of Licensee Serviced Retained Rights Agreements related to Licensee Serviced Retained Rights and resolve such disputes, consistent with the Servicing Standard and in its good faith and reasonable judgment;

(f) disclose to third parties that the Servicing Agent is acting solely as agent for, and on behalf of, Licensor with respect to the Servicing Agent's services under this Section 5.7; and

(g) provide such reports as reasonably requested by the Licensor with respect to the Licensee Serviced Retained Rights and the Premium Seating License Fees and Licensor Advertising Revenue derived therefrom.

5.7.4 From and after the date hereof, the Servicing Agent shall present any proposed Licensee Serviced Retained Rights Agreement to the Licensor, for the Licensor's review, and any Licensee Serviced Retained Rights Agreement so executed shall, with respect to Licensee Serviced Retained Rights, be entered into by Licensee solely in its capacity as Servicing Agent for the Licensor; provided, however, that if the Licensee is entering into a Licensee Serviced Retained Rights Agreement as Servicing Agent for the Licensor, the Licensee shall not enter into any such Licensee Serviced Retained Rights Agreement without the prior approval of the Licensor with respect to the provision therein related to Licensee Serviced Retained Rights, which approval may only be withheld if the Licensor determines in good faith that the Servicing Agent has not complied with the Servicing Standard with respect to such Licensee Serviced Retained Rights.

5.7.5 Upon a material monetary default by a counterparty under a Licensee Serviced Retained Rights Agreement that relates to Licensee Serviced Retained Rights, the Servicing Agent shall notify the Licensor of said default, and, upon the request of the Licensor, the Servicing Agent shall, consistent with the Servicing Standard: (i) use commercially reasonable efforts to enforce such Licensee Serviced Retained Rights Agreement in accordance with its terms; (ii) use commercially reasonable efforts to cause the counterparty thereunder to effect a cure of such default; or (iii) if such efforts are not availing and such default has not been cured within thirty (30) days after the expiration of the applicable cure period under such Licensee Serviced Retained Rights Agreement, to terminate such portion of the Licensee Serviced Retained Rights Agreement that relates to Licensee Serviced Retained Rights in accordance with the terms thereof and to market the affected Licensee Serviced Retained Right in accordance with the requirements of Sections 5.7.3, 5.7.4, and 5.7.5.

## **ARTICLE VI**

### **MANAGEMENT; MAINTENANCE; EVENT STAFFING; AND CAPITAL REPAIRS**

#### **6.1 Management.**

6.1.1 Operating Standards. The Licensor shall, at its sole cost and expense (except for those costs and expenses that are Licensee Expenses), manage and operate the Arena in accordance with, and provide all services required by it pursuant to, this Agreement and the Arena Agreement on a twenty-four (24) hour per day, year-round basis. Such services will be provided in a professional manner and at a level of quality and consistency necessary to meet the Operations Standard.

6.1.2 Permits. The Licensor shall, at its sole cost and expense, obtain all necessary licenses and permits (including a liquor license, to the extent the applicable Concessionaire does not possess such liquor license) required in connection with the operation of the Arena; provided, however, that the cost of licenses or permits required for a specific Licensee Event (such as a special license for pyrotechnic displays, but not including liquor licenses or other ordinary and necessary licenses required for normal Event operations) shall be a Licensee Expense.

## 6.2 Utilities and Maintenance.

6.2.1 Utilities. The Licensor shall, at its sole cost and expense, furnish sufficient water, sewer, natural gas, heat, air-conditioning, electric, telephone, Internet and other utilities, hookups and capacities as are necessary to operate the Arena and for the Permitted Uses. The electricity for the Arena shall be sufficient to light the Arena with the degree of illumination required for color telecasting and other media broadcast (as contemplated by Section 9.1) of the Licensee Events in accordance with NBA Rules and shall at all times be sufficient, in the Licensee's reasonable judgment, to permit the Licensee to fully enjoy all of the Permitted Uses under this Agreement.

6.2.2 Maintenance. The Licensor, at its cost and expense, shall timely make all repairs and undertake all maintenance at the Arena, including the Premises, in accordance with the Maintenance and Repair Standard. In furtherance of the foregoing, the Licensor shall operate and maintain in good, clean order, condition and repair the Arena and its fixtures, machinery, equipment, improvements and other components (including all utilities, hookups and capacities set forth in Section 6.2.1), the Communication Systems, the Common Areas, the Premium Seating and General Seating, the Restaurant Areas, the Licensee Exclusive Spaces (and the Licensor shall have the right to enter at reasonable times upon prior notice to the Licensee, the Licensee Exclusive Spaces in connection therewith), the Floor and the remainder of the Premises, so that the Arena shall be in first-class condition ready for all Licensee Events and other Permitted Uses and otherwise in the condition that satisfies the Maintenance and Repair Standard. None of the facilities or equipment required for Licensee Events shall be diminished or eliminated without the Licensee's prior written consent, other than replacing damaged or obsolete furniture, fixtures, machinery or equipment. The Licensor shall provide adequately trained janitorial, pest control, maintenance and support staff to perform the Licensor's maintenance obligations (including during Licensee Events).

6.2.3 The Licensor's Non-Performance. If the Licensor fails in the performance of any maintenance obligations set forth in Section 6.2.2 (other than any failure that constitutes an Emergency, in which case Section 6.5.4 shall govern), the Licensee may notify the Licensor in a written notice specifying the manner in which the Licensor has failed to perform. If the Licensee delivers such a notice to the Licensor and the Licensor does not cure any failure on or before fifteen (15) days after the Licensor's receipt of such written notice, the Licensee may (but is not obligated to), in addition to other rights and remedies available to the Licensee, undertake responsibility for such uncured obligation. In such event, the Licensor shall be responsible within fifteen (15) days after

written demand to reimburse the Licensee for all reasonable costs and expenses associated with the Licensee's undertaking of such obligations.

6.3 Basketball Facilities and Equipment. On the day of each Home Game at the Arena, Basketball Special Event and, to the extent applicable, Other Licensee Event, the Licensor shall set-up all facilities, systems and equipment then necessary for the performance of the Licensee Event to satisfy the Basketball Operating Standards, including the Floor, basketball goals, backup basketball goals, nets, lines and striping, time keepers and score keepers tables, adequate signs and markers, the Team and visiting team benches, tables and chairs, complete and effective lighting system, Communication Systems, a telephone hook-up from each team's bench on floor level to coaches and assistant coaches and broadcast booths. The foregoing shall be available and operational at least four (4) hours before, and continuing throughout, each Home Game at the Arena, Basketball Special Event and, to the extent applicable, Other Licensee Event, after which time the Licensor shall tear-down such facilities (unless the immediately succeeding event is a Home Game at the Arena, other Basketball Special Event or applicable Other Licensee Event, in which case the Parties may reasonably determine to not tear-down such facilities). Any cost or expense with respect to the set-up, tear-down or other conversion activities related to any such Licensee Event shall be a Licensee Expense.

6.4 Staffing; Security for Licensee Events. In managing the operations of the Arena, the Licensor shall (a) cooperate with the Licensee to ensure that due consideration is given to the Licensee's customer service goals and the Licensee's requests concerning Event Staffing and customer service matters and (b) be responsible for the safety and security of the Arena and the immediately surrounding areas during all Licensee Events. The Licensor shall, at the Licensee's sole cost and expense as a Licensee Expense, furnish a mutually agreed upon level of Event Staffing (including security personnel and all police, traffic management, fire, paramedic, ambulance, hazardous materials response teams, and other governmental and/or municipal services) sufficient to satisfy the Basketball Operating Standards. The Licensee shall have the right to establish reasonable grooming, dressing and cleanliness standards for Event Staffing and other Licensor employees who will have contact with ticket holders, Premium Seating Licensees, Licensee guests and patrons during Licensee Events. The Licensor shall consult with, and obtain the approval of, the Licensee regarding the determination of security measures and the exclusion or ejection of individuals or items in the interest of safety or security with respect to Licensee Events. Notwithstanding the foregoing in this Section 6.4, the Licensee shall at all times have the right, at its election and at its sole cost and expense as a Licensee Expense, to provide Licensee personnel for Licensee Events, including guest services coordinators and Premium Seating coordinators, for the purpose of supplementing Event Staffing and shall employ, at its sole cost and expense as a Licensee Expense, the players, coaches and all basketball operations support staff, including statisticians, time keepers, score keepers, public address announcers and other basketball operations-related staffing with respect to the Licensee Event. To the extent the costs and expenses related to Event Staffing in this Section 6.4 are not directly attributable to a specific Licensee Event and are also applicable to staffing Other Events, such costs and expenses shall be equitably allocated to the Licensee as a Licensee Expense based on the number of Licensee Events relative to such Other Events during the period of determination.

6.5 Additions and Capital Repairs.

6.5.1 Obligation to Make Additions and Capital Repairs. Subject to Section 6.5.5, during the Term, the Licensor shall be responsible for and, at its sole cost and expense shall timely make, all Additions and Capital Repairs required to be made to the Arena or the furniture, fixtures, machinery or equipment located therein, including Concession equipment, pursuant to the terms of Section 4.3(G) or 4.3(H) of the Arena Agreement.

6.5.2 Manner of Performance. The Licensor shall (a) undertake such Additions and Capital Repairs with reasonable diligence and (b) perform such work at times and in a manner that, to the extent reasonable under the circumstances, minimizes interference with the Licensee's use, occupancy and possession of the Arena. Other than with respect to Emergencies governed by Section 6.5.4, the Licensee shall notify the Licensor of any condition or situation that would require the Licensor to perform Additions and Capital Repairs under this Section 6.5 within a reasonable time after becoming aware of such condition or situation.

6.5.3 The Licensor's Non-Performance. If the Licensor fails to perform its obligations under Section 6.5.1 (other than any failure that constitutes an Emergency, in which case Section 6.5.4 shall govern), the Licensee shall have the right to notify the Licensor in writing, which notice shall specifically set forth the manner in which the Licensor has failed to fulfill such obligations. If the Licensor (a) does not cure any failure on or before thirty (30) days after the Licensor's receipt of such written notice or (b) has notified the Licensee that it does not have the funds necessary to fulfill such obligation, the Licensee may (but is not obligated to), in addition to any other rights and remedies available to the Licensee, undertake responsibility for such uncured obligation. In such event, the Licensor shall, within fifteen (15) days after written demand from the Licensee, reimburse the Licensee for all reasonable costs and expenses associated with the Licensee's undertaking of such obligations and, to the extent the Licensor does not so reimburse the Licensee within such fifteen (15)-day period, the Licensee shall have the right to deduct such costs and expenses from any amounts payable by the Licensee to the Licensor pursuant to this Agreement. The Licensor shall provide notice to the Licensee as promptly as practicable if (i) the City provides notice to the Licensor that the Licensor is required to make any Additions or Capital Repairs or (ii) the City requires the Licensor to engage a new management company pursuant to Section 11.2 of the Arena Agreement.

6.5.4 Emergency and Repairs. In the event of any Emergency, the Licensee shall promptly notify the Licensor of such Emergency, and the Licensor shall promptly respond within a reasonable time period consistent with the nature of the situation. If the Licensor has not promptly made the repairs necessary to alleviate such Emergency or has notified the Licensee that it does not have the funds necessary to alleviate such Emergency, unless the City has made such repairs pursuant to the Arena Agreement, the Licensee may (but is not obligated to), in addition to any other rights and remedies available to the Licensee, make the repairs necessary to alleviate such Emergency. To the extent practicable, the Licensee shall contact the Licensor prior to the Licensee's taking any action pursuant to this Section 6.5.4 to discuss the actions to be taken with respect to the Emergency or such repairs and to attempt to avoid the duplication of efforts by the Licensee and the Licensor. The Licensor shall, within fifteen (15) days after

written demand from the Licensee, reimburse the Licensee for all reasonable costs and expenses associated with respect to such Emergency and, to the extent the Licensor does not so reimburse the Licensee within such fifteen (15)-day period, the Licensee shall have the right to deduct such costs and expenses from any amounts payable by the Licensee to the Licensor pursuant to this Agreement. Depending on the nature of the repair, such expenditure shall be a repair or maintenance or Addition or Capital Repair, as applicable, that is reimbursed by the Licensor, except to the extent it is an expenditure for Additions and Capital Repairs for which funds are available for reimbursement from the Capital Fund. The Licensor shall provide notice to the Licensee as promptly as practicable if the City exercises any of its “self-help” rights or remedies pursuant to Section 4.3(H) of the Arena Agreement.

6.5.5 Licensee Additions and Capital Repairs. Except as provided in Sections 6.5.3, 6.5.4 and 15.2, the Licensee shall not, without the Licensor’s prior consent, make Additions and Capital Repairs to any portion of the Arena. The Licensee shall provide the Licensor with reasonable prior notice of, and construction plans and specifications for, any and all proposed Additions and Capital Repairs, as well as a proposed schedule of construction for such Additions and Capital Repairs. All Additions and Capital Repairs performed by the Licensee in accordance herewith, including the preparation of plans, specifications and engineering reports therefor, shall (a) be done at the Licensee’s expense as a Licensee Expense, (b) be done in a good and workmanlike manner, (c) not weaken or impair the structural strength of the Arena or fundamentally affect the character or suitability of the Arena for use as a multipurpose arena facility, (d) be in compliance with all applicable NBA Rules and the Arena Agreement and (e) be done in a manner as to not unreasonably interfere with the operation of the Arena.

6.5.6 City Approval. Notwithstanding the foregoing in this Section 6.5, the Licensor shall not be in breach of any provision in this Section 6.5 to the extent the Licensor is required to obtain, and the Licensor uses commercially reasonable efforts to obtain, any approval from the City pursuant to the Arena Agreement and such approval is not obtained.

## 6.6 Capital Fund.

6.6.1 The Parties acknowledge that all Qualified Tickets for Licensee Events are subject to the Capital Fund Ticket Fee pursuant to, and in accordance with, the Arena Agreement. The Capital Fund containing all Capital Fund Ticket Fees shall be held and disbursed in accordance with the terms and conditions of the Arena Agreement as a non-exclusive source of payment for the costs and expenses incurred by the Licensor in connection with Additions and Capital Repairs.

6.6.2 To the extent the Licensee receives payments for Qualified Tickets, on the second to last Business Day of each calendar month, the Licensee shall remit to the Licensor an amount equal to the Capital Fund Ticket Fee in respect of such payments so received by the Licensee, and the Licensor shall promptly remit such amount to the City.

6.6.3 Upon the expiration or earlier termination of this Agreement, the Licensor shall promptly distribute to the Licensee an amount equal to the product of (a) all amounts remaining in the Capital Fund that are retained by, or distributed to, the Licensor pursuant to the Arena Agreement multiplied by (b) a fraction, the numerator of which is the aggregate Capital Fund Ticket Fee deposited into the Capital Fund in respect of Qualified Tickets for Licensee Events and the denominator of which is the aggregate Capital Fund Ticket Fee deposited into the Capital Fund in respect of Qualified Tickets for all Events, in each case during the Term (other than the last Operating Year).

6.7 Enforcement of Rights; Amendments to Arena Agreement. Without limiting the generality of any other provision of this Agreement, the Licensor shall at all times use commercially reasonable efforts to enforce all obligations of the City under the Arena Agreement, the Parking Agreement and all other related agreements. The Licensor shall not approve or permit any amendment to, or grant any waiver of, (a) any of Sections 1, 2, 3, 4.2, 4.3, 4.4, 4.6, 4.7, 4.8, 5, 7.2, 8, 9, 10.4, 11, 16, 19 or 20 of the Arena Agreement or (b) any other provision of the Arena Agreement so as to adversely impact the rights or obligations of the Licensee hereunder, in each case without the prior written consent of the Licensee. If the City has breached any provision of the Arena Agreement or the City asserts that the Licensor has breached any provision of the Arena Agreement, then the Licensor shall promptly provide the Licensee with notice thereof.

## **ARTICLE VII CONCESSIONS; MERCHANDISE; AND TEAM RETAIL STORE**

### 7.1 Concessions.

7.1.1 Concessionaire. Subject to this Section 7.1, the Licensor shall select a Concessionaire(s) for the Arena and enter into a Concession Agreement(s) regarding the applicable Concessions, including the provision of such Concessions at Licensee Events. The Licensor shall consult with the Licensee prior to the initial selection, notify the Licensee of a potential selection, and permit the Licensee to interview any such new or potential successor Concessionaire and permit the Licensee to review drafts of any such Concession Agreement. The Licensor shall reasonably consult with the Licensee regarding the terms of any Concession Agreement and, in any event, the Concession Agreement shall provide that the Licensee be a third-party beneficiary thereof. No Concessionaire will be retained, and no Concession Agreement will be entered into (including any Concession Agreement with an Affiliate of the Licensor) or amended (to the extent any amendment relates to the provision of Concessions at Licensee Events), without the prior written approval of the Licensee, which shall not be unreasonably withheld, conditioned or delayed. The Licensor shall use commercially reasonable efforts to enforce the terms of any Concession Agreements. If a Concessionaire has breached any provision of a Concession Agreement or a Concessionaire asserts that the Licensor has breached any provision of a Concession Agreement, then the Licensor shall provide the Licensee with notice thereof as promptly as practicable. For the avoidance of doubt, this Section 7.1.1 shall apply even if the Concessionaire is the Licensor or the Licensor's Affiliate.

7.1.2 Products. The kind and quality of Concessions and the menu, name brands and pricing of Concession products to be sold at Licensee Events shall be determined in accordance with the Concession Agreement and, unless otherwise agreed to by the Licensee, in any event shall be subject to the approval of the Licensee, which shall not be unreasonably withheld, conditioned or delayed.

7.1.3 Restaurant Areas. The Licensor and the Licensee shall work cooperatively to determine and establish operating policies for the Restaurant Areas during Licensee Events. The Licensor and the Licensee shall meet, confer and agree on marketing and promotion. Subject to the terms of the Concession Agreement, the Licensor shall have final approval of all operating policies relating to the Restaurant Areas, including staffing.

## 7.2 Merchandise.

7.2.1 Sale of Merchandise. Subject to this Section 7.2, the Licensor shall operate, or, at the option of the Licensor, contract with a third party to operate (a “Merchandise Operator”), Merchandise sales at the Arena for all Events. The Licensor shall consult with the Licensee prior to the initial selection, notify the Licensee of a potential selection, and permit the Licensee to interview any such new or potential successor Merchandise Operator and permit the Licensee to review drafts of any such agreement with respect to the sale of Merchandise at the Arena (the “Merchandising Agreement”). The Licensor shall reasonably consult with the Licensee regarding the terms of any Merchandising Agreement and, in any event, the Merchandising Agreement shall provide that the Licensee be a third-party beneficiary thereof. No Merchandise Operator will be retained, and no Merchandising Agreement will be entered into (including any Merchandising Agreement with an Affiliate of the Licensor) or amended (to the extent any amendment relates to the provision of Merchandise at Licensee Events), without the prior written approval of the Licensee, which shall not be unreasonably withheld, conditioned or delayed. The Licensor shall use commercially reasonable efforts to enforce the terms of any Merchandising Agreements. If a Merchandise Operator has breached any provision of a Merchandising Agreement or a Merchandise Operator asserts that the Licensor has breached any provision of a Merchandising Agreement, then the Licensor shall provide the Licensee with notice thereof as promptly as practicable. For the avoidance of doubt, this Section 7.2.1 shall apply even if the Merchandise Operator is the Licensor or the Licensor’s Affiliate.

7.2.2 Licensee Control of Items Sold; Locations; Personnel. The Licensor shall determine the kind, quality, quantity and pricing of Merchandise to be sold at Licensee Events. The Licensor shall have the right to determine the placement, number and size of each location (e.g., for retail kiosks or portable and temporary displays) for the sale of Merchandise within and outside the Arena (in addition to the Team Retail Store). The Licensor shall have the right to determine the number of vendors circulating the Arena to sell Merchandise during Licensee Events. Merchandise shall be consistent with NBA Rules. All personnel utilized for the sale of Merchandise at the Team Retail Store and other locations within the Arena shall be employees or contractors of the Licensor and not of the Licensee.

7.3 Team Retail Store. The Licensor shall, to the extent requested by the Licensee, cause the Team Retail Store to be open to the general public on a year-round basis.

## **ARTICLE VIII ADVERTISING**

8.1 Advertising. Subject to the provisions of Section 5.7, the Licensee, as Servicing Agent for the Licensor with respect to Licensor Advertising Rights, shall have the exclusive right during the Term to market, price, sell, grant, license, post, exhibit, display, publish, broadcast and/or present Advertising (including Licensor Advertising Rights), and collect and receive the revenue therefrom, on such terms and conditions and pursuant to such policies as determined by the Licensee in its sole discretion. Neither the Licensor nor any Person other than the Licensee shall have the right to sell any Advertising (including Licensor Advertising). The Licensee shall use commercially reasonable efforts to perform its obligations, and to enforce the obligations of all Sponsors, under all agreements entered into with respect to Licensor Advertising. The Licensee shall provide the Licensor a copy of each entered into by the Licensee with a Sponsor that includes Licensor Advertising Rights (including each Naming Rights Agreement).

### 8.2 Naming Rights.

8.2.1 In furtherance of Section 8.1, the Licensee, as Servicing Agent for the Licensor, shall have the exclusive right to sell, grant or license all Naming Rights; provided, that all Naming Rights shall not (a) be in bad taste or, at the time they are sold, license or granted by the Licensee (as Servicing Agent for the Licensor) to an applicable third party, a cause for embarrassment to the City, or (b) include any companies known for tobacco products, guns, adult entertainment, or marijuana or other non-pharmaceutical drugs. For the avoidance of doubt, the City, as third party beneficiary of this Section 8.2, shall be entitled to seek specific performance to enforce the Naming Rights' satisfaction of the foregoing criteria.

8.2.2 Following receipt by the Licensor of written notice from the Licensee of the determination of the Arena Name, each Party shall use (and the Licensor shall have the right to use with respect to Other Events) the Arena Name in all correspondence, communications, advertising and promotion that such Party may undertake with respect to the Arena, including in all press releases and other communication and media and in connection with the promotion of the sale of tickets to Events, including Licensee Event Tickets. The Licensor shall have the right to use the Arena Name in connection with Other Events.

8.3 Other Events. The Licensor may permit signage and other Advertising inventory (including, to the extent not prohibited by the Licensee's agreements with Sponsors, such Advertising inventory that may conflict with category exclusivities granted by the Licensee in connection with its sale of Advertising) to be displayed at the Arena during such Other Event by the promoters or sponsors of such Other Events so long as such promoters or sponsors are promoting or sponsoring such Other Event substantially all locations where such Other Event is being presented. The Licensee acknowledges that certain Other Events (e.g., NCAA basketball games and certain concerts) will require as a condition of its use of the Arena that certain

Advertising be blocked, removed, not lit, not activated or materially obstructed during such Other Event and that the Licensor will be permitted to allow the foregoing so long as the Licensor reasonably consults with the Licensee prior to entering into an agreement with respect to such Other Event and such Advertising is blocked, removed, not lit, not activated or materially obstructed to the least extent possible to comply with the requirements of such Other Event.

8.4 Cooperation; Advertising Installation, Etc. The Licensor agrees to use commercially reasonable efforts to cooperate with the Licensee with respect to the Licensee's fulfillment of its obligations pursuant to any agreements entered into by the Licensee with respect to Advertising. The Parties acknowledge that the Licensee shall have the right to enter into agreements, and retain all revenue, with respect to all Team-related advertising, sponsorship and promotional inventory, including, without limitation, designation as official sponsor of the Team, advertising on Team or Licensee-controlled platforms, hospitality offerings, use of Team-related intellectual property, Licensee Temporary Advertising and advertising (e.g., commercials and promotional spots) in connection with Licensee Broadcast Rights and Advertising with respect to the Licensee Exclusive Spaces (collectively, "Team Inventory Advertising"). Such agreements may be entered into by the Licensee with Sponsors and also include Licensor Advertising (including Naming Rights Agreements). Except to the extent the Licensee maintains such books and records pursuant to Section 13.2, the Licensor shall maintain correct and complete books and records with respect to the operations of the Arena and keep such records for six (6) years after the Operating Year to which they pertain. When reasonably possible, but in any event within one hundred eighty (180) days after the last day of each Operating Year, the Licensor shall, at its expense, provide the Licensee a copy of the certified audit of the Licensor's financial statements for such Operating Year conducted in accordance with GAAP. The Licensee, and its attorneys and accountants, shall be entitled to inspect such books and records maintained by the Licensor of the Arena at the offices of the Licensor at reasonable times during a Business Day upon not less than three (3) Business Days' prior written notice. At the Licensee's expense, the Licensee may annually, during the Term, conduct a review of the books and records of the Arena operations. Upon three (3) Business Days' prior written notice from the Licensee, the Licensor shall provide or make available to the Licensee, all books and records reasonably requested by the Licensee, to conduct such review. If the audit or such a review reveals an overpayment or underpayment of the Licensee Revenue, the Licensor shall either pay or collect from the Licensee the overpayment or the underpayment, as the case may be, within thirty (30) days after the reconciliation of the Licensee Revenue, together with interest at the Interest Rate on the overpayment or underpayment, as the case may be, from the date of determination until the date of payment. In the event of a dispute between the Parties with respect to the results of any such audit or review, the Parties shall refer such dispute to a mutually agreed upon national independent accounting firm, and the Parties shall cooperate with such accounting firm to enable such accounting firm to resolve the dispute as promptly as practicable.

13.2 Licensee's Record Keeping. The Licensee shall maintain correct and complete books and records with respect to the calculation of all payments to be made by the Licensee to

the Licensor hereunder and keep such records for six (6) years after the Operating Year to which they pertain. At the Licensor's expense, the Licensor may annually, during the Term, conduct a review of such calculations. Upon three (3) Business Days prior written notice from the Licensor, the Licensee shall provide or make available to the Licensor, all books and records reasonably requested by the Licensor, to conduct such review. If a review reveals an overpayment or underpayment of the payments to be made pursuant to Section 5.2, the Licensee shall either pay or collect from the Licensor the overpayment or the underpayment, as the case may be, within thirty (30) days after the reconciliation thereof, together with interest at the Interest Rate on the overpayment or underpayment, as the case may be, from the date of determination until the date of payment.

13.3 Dispute Resolution. Notwithstanding Article XXI, in the event of a dispute between the Parties with respect to the results of any such audit or review, the Parties shall refer only the disputed matters set forth in Section 13.1 and 13.2 to a mutually agreed upon national independent accounting firm (the "Accounting Firm"), and the Parties shall cooperate with such accounting firm to enable such accounting firm to resolve the dispute as promptly as practicable. The Accounting Firm shall address only those items in dispute and may not assign a value greater than the greatest value for such item claimed by either Party or smaller than the smallest value for such item claimed by either Party. In the absence of manifest error, the resolution of disputed items by the Accounting Firm shall constitute an arbitral award that is final, binding and non-appealable. The costs and expenses of the Accounting Firm incurred pursuant to this Section 13.3 shall be borne by the Licensee, on the one hand, and the Licensor, on the other hand, in proportion to the allocation by the Accounting Firm of the dollar amount of disputed matters, such that the prevailing party (or parties) pay a lesser proportion of such costs and expenses.

13.4 Survival. Sections 13.1-13.4 shall survive any termination or expiration of the Term.

#### **ARTICLE XIV ASSIGNMENT**

14.1 Assignment. Subject to Section 14.2, neither Party shall make or enter into an Assignment of this Agreement of this Agreement without the prior written consent of the other Party (which consent shall not be unreasonably withheld, conditioned or delayed) and if so approved the applicable assignee shall agree to be bound by all of the terms and conditions hereunder.

14.2 Permitted Transfers. The following Assignments shall be permitted without the consent of any Party:

14.2.1 The Licensee may make an Assignment of this Agreement to any Affiliate of the Licensee, provided that any such Assignment shall not change, limit, release or otherwise affect the rights, obligations and liabilities of the Licensee to the Licensor

under this Agreement and such Affiliate shall agree to be bound by all of the terms and conditions of this Agreement;

14.2.2 A Party may pledge, mortgage, grant a security interest in, encumber or collaterally assign its interest in this Agreement to secure indebtedness for borrowed money of such Party; and

14.2.3 The Licensee may make an Assignment of this Agreement to any Person that acquires the Team with the approval of the NBA, provided such assignee shall agree to be bound by all of the terms and conditions hereunder.

14.3 Other Project Agreements. Notwithstanding anything to the contrary in this Agreement, in connection with and as a condition to any Assignment of this Agreement, (a) if the Licensor assigns this Agreement, the Licensor must also assign the Arena Agreement to the same assignee in connection therewith and (b) if the Licensee assigns this Agreement, the Licensee must also assign the Non-Relocation Agreement to the same assignee in connection therewith.

## **ARTICLE XV LICENSEE EQUIPMENT; ADDITIONAL IMPROVEMENTS**

15.1 Licensee Equipment. The Licensee may place and store Licensee Equipment in the Licensee Locker Room, the Licensee Storage Facilities and in the other Licensee Exclusive Spaces without any charge therefor. All Licensee Equipment shall be the property of the Licensee and may be removed at any time by the Licensee.

15.2 Additional Improvements. Subject to Sections 6.5.4, 6.5.5 and 17.1, the Licensee shall have the right at its expense, but not the obligation, to make additional improvements to the Licensee Exclusive Space from time to time as the Licensee may choose.

## **ARTICLE XVI INSURANCE**

16.1 Licensee Insurance. Beginning on the Commencement Date, and thereafter at all times during the Term, the Licensee shall, at its sole cost and expense, obtain, keep and maintain insurance in such amounts and against such risks as are customarily maintained by NBA teams who only have use rights (or equivalent rights) to the arena or events center where they play their home games and do not have material arena or events center operating responsibilities, except to the extent the Licensee is already covered as an additional insured by the policies of the Licensor. All such policies of insurance applicable to the Arena shall name the Licensor and the City as an additional insured (except for any policies where it is not commercially customary or practicable to so name the Licensor and the City) and such other Persons as agreed by the Licensor and the Licensee.

16.2 Licensor Insurance. Beginning on the Commencement Date, and thereafter at all times during the Term, the Licensor shall, at its sole cost and expense, obtain, keep and maintain insurance in the form and amounts required of the Licensor under the Arena Agreement,

including Minimum Property Insurance Coverage (as defined in the Arena Agreement). The Licensor shall name the Licensee as an additional insured under all such policies.

16.3 Blanket or Master Policy. The insurance required to be carried by the Licensor pursuant to the provisions of this Article XVI may, at the Licensor's option, be effected by blanket or umbrella policies issued to the Licensor covering the Arena and other properties owned or leased by the Licensor or Affiliates thereof, provided such policies otherwise comply with the provisions of this Agreement and provide to the Arena not less than the specified coverage, including, the specified coverage for all insureds required to be named as insureds under this Agreement.

16.4 Other Insurance Requirements. The Licensor also agrees to provide evidence of coverage for business income interruption and may also maintain any other forms and types of insurance that the Licensor shall deem reasonable in respect of the Arena. The Licensor shall provide the Licensee prompt written notice of any notice it receives of any cancellation, modification or renewal of any such insurance or program.

16.5 Failure to Maintain. If at any time and for any reason any of the Licensee or the Licensor fails to provide, maintain, keep in force and effect, or deliver to the other Parties proof of any of the insurance required hereunder and such failure continues for ten (10) days after notice thereof from one of those three Parties, then any other Party may, but shall have no obligation to, procure single interest insurance for such risks covering the other Party (or, if no more expensive, the insurance required by this Agreement), and the Party that failed to meet its obligations hereunder, as the case may be, shall, within ten (10) days following the other Party's demand and notice, pay and reimburse such other Party the costs incurred.

#### 16.6 Additional Policy Requirements.

##### 16.6.1 Insurers; Certificate and Other Requirements.

(a) All insurance policies required to be procured under this Article XVI (including endorsements thereto) shall be effected under valid policies issued by insurers licensed to do business in the State of California that have an A.M. Best rating of "A-VIII" or better (or equivalent).

(b) Each and every insurance policy required to be carried hereunder by or on behalf of any Party shall provide (and any certificate evidencing the existence of each such insurance policy shall certify) that the insurer will endeavor to notify the insured of any cancellation with a provision substantially as follows: "should any of the above described policies be cancelled before the expiration date thereof, the issuing insurer will mail not less than thirty (30) days written notice to the certificate holder."

16.6.2 Delivery of Evidence of Insurance. With respect to each and every one of the insurance policies required to be procured or maintained under the terms of this Agreement, (A) on or before the date that each such policy is required to be first procured, (B) at least thirty (30) days before the expiration of any such policy, (C) with respect to insurance required by Section 16.2 and 16.4, prior to the first day of each

Operating Year, and (D) otherwise from time to time upon a Party's reasonable request therefor, the Licensee or the Licensor, as the case may be, shall deliver to the other Parties evidence showing that such insurance (including any endorsements required by this Agreement) is in full force and effect. Such evidence shall include certificates of insurance issued by a responsible officer of the issuer of such policies, or in the alternative, a responsible officer of an agent authorized to bind the named issuer, setting forth the name of the issuing company, the coverage, limits, deductibles, and the term thereon. By no later than (i) thirty (30) days after the effective date of any insurance policy required under this Agreement, the Licensee or the Licensor, as the case may be, shall provide the other Party with reasonable evidence that premiums have either been paid in full or, if the premiums are payable in installments, the installments have been paid to date and (ii) one hundred twenty (120) days after the effective date of any issuance policy required under this Agreement, the Licensee or the Licensor, as the case may be, shall provide the other Party with a complete copy of such insurance policy and all endorsements thereto.

16.6.3 Waiver of Recovery. None of the Licensee or the Licensor shall be liable to any other Party or to any insurance company (by way of subrogation or otherwise) insuring the other Party for any injury to persons, or any resulting loss of income, or losses under workers' compensation laws and benefits, even though such loss or damage might have been occasioned by the negligence (whether ordinary or gross) of such Party, its agents or employees, if and to the extent any such loss or damage is actually covered by insurance benefiting the Party suffering such loss or damage. The provisions of this Section 16.6.3 are not intended to limit the claims of any Party to the face amount or coverage of insurance policies herein provided for or to evidence a waiver by any Party of any claim for damages in excess of the face amount or coverage of any such insurance policies. Neither the issuance of any insurance policy required under, or the minimum limits specified in this Article XVI with respect to the Licensee's or the Licensor's insurance coverage, shall be deemed to limit or restrict in any way the Licensee's or the Licensor's liability arising under or out of this Agreement. Notwithstanding the foregoing, the failure of any Party to obtain or maintain any insurance policy required hereunder shall be a defense for the other Parties to any claim asserted by such defaulting Party against any or all of the other Parties by reason of any loss sustained by such defaulting Party that would have been covered by any such insurance policy.

16.7 Third-Party Indemnification and Insurance. The Licensor shall obtain for the Licensee and any of its Affiliates contractual indemnities and rights as an additional insured under any contractually required insurance comparable to any indemnities and additional insured rights obtained for the Licensor or the City, as applicable, from any (a) Concessionaire, (b) user or other licensee or sublicensee of the Arena and (c) contractor, subcontractor, supplier, vendor, consultant or other Person performing any work or providing any services, labor, materials or supplies with respect to all or any part of the Arena.

**ARTICLE XVII**  
**DAMAGE, DESTRUCTION OR DETERIORATION; CONDEMNATION**

17.1 Damage; Repair Obligation. In the event of damage, destruction or deterioration of the Arena that results in an Alternate Site Condition, then this Agreement shall remain in full force and effect and the Licensor shall, subject to the terms and conditions set forth in Section 9.1 of the Arena Agreement, repair and restore the Arena to the Required Restoration Condition (as defined in the Arena Agreement). In connection with such repair and restoration, (a) Licensee shall have the right to review and approve all construction plans therefor and to participate in the design and construction process and (b) the Licensor shall not approve any material changes in any material aspect of the Arena (including the Licensee Exclusive Spaces) as originally constructed without the Licensee's prior written approval. The Parties acknowledge and agree that changes may be desired by either Party to upgrade the Arena to the then-current modern standards of first-class home arenas of NBA teams to comply with NBA Rules and/or due to the amount being expended by the Licensor in accordance with Section 9.1 of the Arena Agreement. Notwithstanding the foregoing, if the Licensor terminates the Arena Agreement pursuant to Section 9.1 of the Arena Agreement, the Licensor shall promptly provide notice thereof to the Licensee and then the Licensee shall have the right to terminate this Agreement by delivering written notice to the Licensor and the City within ninety (90) days thereafter. If the Licensee so terminates this Agreement, any such termination shall be without penalty to the Licensee.

17.2 Condemnation.

17.2.1 Total Condemnation. If the Arena Agreement is terminated pursuant to Section 9.3(A) of the Arena Agreement due to a Condemnation Action, the Licensor shall promptly provide notice thereof to the Licensee and then the Licensee shall have the right to terminate this Agreement by delivering written notice thereof to the Licensor and the City within ninety (90) days thereafter. If the Licensee so terminates this Agreement, any such termination shall be without penalty to the Licensee. If either Party receives notice of any proposed or pending Condemnation Action affecting the whole or any part of the Arena, it shall promptly notify the other Party.

17.2.2 Partial Condemnation. If the Licensee does not have a right to terminate this Agreement as a result of a Condemnation Action or elects not to do so, the Licensor will, subject to the terms and conditions set forth in Section 9.3(B) of the Arena Agreement, at no cost to the Licensee, repair and restore any damage to the Arena resulting from such Condemnation Action to the Required Restoration Condition.

17.2.3 Proceedings; Condemnation Award. To the maximum extent permitted by Applicable Law, the Licensor and the Licensee each shall have the right, at its own expense, to appear in any Condemnation Action and to participate in any and all hearings, trials and appeals relating thereto even if this Agreement has been terminated. Neither Party shall settle or compromise any right of the other Party to receive a Condemnation Award without the prior written consent of the other Party. Subject to the other provisions of this Section 17.2 and the rights and obligations of the City and the Licensor under Sections 9.3(C) and 9.4 of the Arena Agreement, in any Condemnation Action the

Licensee shall have the right to assert a claim for, and receive all Condemnation Awards for, (a) the loss in value of its rights hereunder as if this Agreement had not terminated, (b) the value of any of the Licensee Exclusive Spaces taken or damaged as a result of the Condemnation Action, (c) any damage to, or relocation costs of, the Licensee's business as a result of the Condemnation Action and (d) any other damages to which the Licensee may be entitled under Applicable Law. If any Condemnation Award is not specifically allocated among the Parties by the applicable Governmental Authority, as between the Licensor and the Licensee the entire amount of the Condemnation Award shall be allocated and distributed to the Licensor.

17.3 Restoration. If any Alternate Site Condition occurs and does not result in termination of this Agreement pursuant to this Article XVII, then the Licensee, at its option and subject to the terms and conditions of the Non-Relocation Agreement, shall have the right to play Home Games in an Alternate Site. Further, during the existence of the Alternate Site Condition, the Licensor shall (a) perform its obligations in accordance with Section 17.1 and Section 17.2.2 and, to the extent not prevented by the Alternate Site Condition, its other obligations hereunder and (b) seek to provide temporary additional areas in the Arena or elsewhere where the Licensee can perform activities otherwise permitted to be performed by the Licensee hereunder in the damaged areas of the Arena. If the Licensor is prohibited from repairing the Arena to the Required Restoration Condition due to a final judgment (taking into account all appeals) by a court or due to Applicable Law, then regardless of whether the Licensee has the right to terminate this Agreement pursuant to Section 17.1, the Licensee shall have the right to terminate this Agreement upon written notice to the Licensor.

## **ARTICLE XVIII**

### **REPRESENTATIONS, WARRANTIES AND COVENANTS**

18.1 Representations and Warranties. Each Party represents and warrants to the other Party that:

18.1.1 Organization. Such Party is a limited liability company or limited partnership duly organized and validly existing under the laws of its state of organization. Such Party has all requisite power and authority to enter into this Agreement.

18.1.2 Authorization; No Violation. The execution, delivery and performance by such Party of this Agreement have been duly authorized by all necessary action, will not violate the organizational documents of such Party and will not result in the breach of, or constitute a default under, any material agreement to which such Party is a party or by which such Party or its material assets may be bound or affected. This Agreement has been duly executed and delivered by such Party and constitute valid and binding obligations of such Party.

18.1.3 No Conflicts. This Agreement is not prohibited by and do not conflict with any other agreements, instruments, judgments or decrees to which such Party is a party or is otherwise subject.

18.1.4 Litigation. No suit is pending or, to the knowledge of such Party, threatened against such Party that could have a material adverse effect upon such Party's performance under this Agreement or the financial condition or business of such Party. There are no outstanding judgments against such Party that would have a material adverse effect upon its assets, properties or franchises.

18.1.5 No Broker's Fees or Commissions. Such Party has not incurred or created any liabilities or claims for broker's commissions or finder's fees in connection with the negotiation, execution or delivery of this Agreement.

18.2 Mutual Covenants. Each Party covenants and agrees to the other Party as follows:

18.2.1 Additional Documents and Approval. The Licensor and the Licensee, whenever and as often as each shall be reasonably requested to do so by the other Parties, shall execute or cause to be executed any further documents, take any further actions and grant any further approvals as may be necessary or expedient in order to consummate the transactions provided for herein.

18.2.2 Notice of Matters. Should the Licensee or the Licensor receive knowledge about any matter that may constitute a breach of any of its representations, warranties or covenants set forth herein, it shall promptly notify the other Party of the same in writing.

## **ARTICLE XIX NON-RELOCATION; SENIORITY**

19.1 Non-Relocation. Concurrently with the execution and delivery of this Agreement, the Licensee has executed the Non-Relocation Agreement.

19.2 Seniority of this Agreement to Licensor Financing. This Agreement shall be and remain senior to any mortgage, deed of trust and/or security agreement now or hereafter encumbering the Licensor's leasehold interest in the Arena and the Arena Land, provided, however, that so long as a lender desiring to record any mortgage, deed of trust and/or security agreement now or hereafter encumbering the Licensor's leasehold interest in the Arena and the Arena Land has entered into a subordination, non-disturbance and attornment agreement with the Licensee, the Licensee agrees to subordinate its rights under this Agreement to such mortgage, deed of trust and/or security agreement now or hereafter encumbering the Licensor's leasehold interest in the Arena and the Arena Land, pursuant to such subordination, non-disturbance and attornment agreement.

## **ARTICLE XX DEFAULT**

20.1 Licensee Default. Each of the following events will, unless otherwise expressly agreed by the Licensor in writing, constitute a "Licensee Default" under this Agreement:

20.1.1 Any failure by the Licensee to pay the amounts required to be paid by it pursuant to Article IV or V within fifteen (15) days after receipt of written notice of failure to pay any such amount when due from the Licensor.

20.1.2 The Licensee materially breaches or fails to comply with any material provision of this Agreement applicable to the Licensor other than the obligation to pay the amounts required to be paid by it pursuant to Article IV or V, and such breach or noncompliance continues for a period of thirty (30) days after written notice thereof by the Licensor to the Licensee; or, if such breach or noncompliance cannot reasonably be cured within such 30-day period, the Licensee does not commence to cure such breach or noncompliance within such 30-day period or, after commencing to cure such breach or noncompliance, does not thereafter pursue such cure in good faith to completion.

20.1.3 The Licensee files a petition in bankruptcy or insolvency, or for reorganization or arrangement under any Applicable Laws related to bankruptcy or insolvency, or voluntarily takes advantage of any such Applicable Laws by answer or otherwise, or dissolves or makes a general assignment for the benefit of creditors, or involuntary proceedings under any such Applicable Laws or for the dissolution of the Licensee are instituted against the Licensee, or a receiver or trustee is appointed for the Arena or for all or substantially all of the Licensee property, and such involuntary proceedings are not dismissed or such receivership or trusteeship vacated within ninety (90) days after such institution or appointment.

20.2 Licensor's Remedies. If any Licensee Default occurs, the Licensor shall have the right, at the Licensor's election, to exercise any one or more of the remedies described below. Exercise of any of such remedies shall not prevent the concurrent or subsequent exercise of any other remedy provided for in this Agreement or otherwise available to the Licensor at law or in equity, except as otherwise expressly stated herein.

20.2.1 The Licensor may, at the Licensor's option but without obligation to do so, and without releasing the Licensee from any obligations under this Agreement, make any payment or take any action as the Licensor deems necessary or desirable to cure any Licensee Default in such manner and to such extent as the Licensor in good faith deems necessary or desirable. The Licensee shall pay the Licensor, upon demand, all reasonable advances, costs, and expenses of the Licensor in connection with making any such payment or taking any such action, including reasonable attorneys' fees, together with interest on all such amounts at the Default Rate from the date of payment of any such advances, costs, and expenses by the Licensor.

20.2.2 The Licensor may institute an Arbitration in accordance with Article XXI or court proceeding in accordance with Section 21.1.3 against the Licensee seeking damages, specific performance, other equitable relief, or any combination of the foregoing.

20.2.3 If the Licensor prevails on any suit brought under Section 20.2.2, obtains a judgment or award for damages, specific performance, other equitable relief, or any combination of the foregoing and the Licensee either (A) fails to pay such damages within ten days after such judgment or award becomes final (taking into account all appeals), or (B) fails to otherwise comply with such judgment or award within the time periods set forth therein or, if no time periods are set forth therein, within reasonable period of time after such judgment or award becomes final (taking into account all

appeals) but, subject to a Force Majeure Event, in no event more than one hundred twenty (120) days after such judgment or award becomes final (taking into account all appeals), the Licensor may, by written notice to the Licensee, terminate this Agreement, which termination shall be effective on the date specified in such notice (but not less than thirty (30) days after the date of such notice), and following receipt of such notice, the Licensee shall vacate the Arena on or before the effective date thereof, failing which, the Licensor may institute dispossessory proceedings. Notwithstanding the foregoing, the Parties acknowledge and agree that (i) pursuant to Section 4.6 of the Arena Agreement, the Licensor shall not so terminate this Agreement without the prior written consent of the City, which consent may be withheld, conditioned, or delayed in the City's sole discretion, (ii) if the Licensor has the right to terminate this Agreement pursuant to this Section 20.2 during, or within thirty (30) days prior to the commencement of, a Basketball Season and so elects to exercise such termination right, such termination shall be effective no earlier than ten (10) Business Days after the end of such Basketball Season and (iii) any election to terminate this Agreement may be exercised only in the same manner as an "unlawful detainer" action for termination of a lease interest.

20.3 Licensor Default. Each of the following events will, unless otherwise expressly agreed by the Licensee in writing, constitute a "Licensor Default" under this Agreement:

20.3.1 The Licensor materially breaches or fails to comply with any material provision of this Agreement applicable to the Licensor, and such breach or noncompliance continues for a period of thirty (30) days after written notice thereof by the Licensee to the Licensor; or, if such breach or noncompliance cannot reasonably be cured within such 30-day period, the Licensor does not commence to cure such breach or noncompliance within such 30-day period or, after commencing to cure such breach or noncompliance, does not thereafter pursue such cure in good faith to completion.

20.3.2 The Licensor files a petition in bankruptcy or insolvency, or for reorganization or arrangement under any Applicable Laws related to bankruptcy or insolvency, or voluntarily takes advantage of any such Applicable Laws by answer or otherwise, or dissolves or makes a general assignment for the benefit of creditors, or involuntary proceedings under any such Applicable Laws or for the dissolution of the Licensor are instituted against the Licensor, or a receiver or trustee is appointed for the Arena or for all or substantially all of the Licensor property, and such involuntary proceedings are not dismissed or such receivership or trusteeship vacated within ninety (90) days after such institution or appointment.

20.4 Licensee's Remedies. If any Licensor Default occurs, the Licensee shall have the right, at the Licensee's election, to exercise any one or more of the remedies described below. Exercise of any of such remedies shall not prevent the concurrent or subsequent exercise of any other remedy provided for in this Agreement or otherwise available to the Licensee at law or in equity, except as otherwise expressly stated herein.

20.4.1 The Licensee may, at the Licensee's option but without obligation to do so, and without releasing the Licensor from any obligations under this Agreement, make any payment or take any action as the Licensee deems necessary or desirable to cure any

Licensor Default in such manner and to such extent as the Licensee in good faith deems necessary or desirable. The Licensor shall pay the Licensee, upon demand, all reasonable advances, costs, and expenses of the Licensee in connection with making any such payment or taking any such action, including reasonable attorneys' fees, together with interest on all such amounts at the Default Rate from the date of payment of any such advances, costs, and expenses by the Licensee.

20.4.2 The Licensee may institute an Arbitration in accordance with Article XXI or court proceeding in accordance with Section 21.1.3 against the Licensor seeking damages, specific performance, other equitable relief, or any combination of the foregoing.

20.4.3 If the Licensee prevails on any suit brought under Section 20.4.2, obtains a judgment or award for damages, specific performance, other equitable relief, or any combination of the foregoing and the Licensor either (A) fails to pay such damages within ten days after such judgment or award becomes final (taking into account all appeals), or (B) fails to otherwise comply with such judgment or award within the time periods set forth therein or, if no time periods are set forth therein, within reasonable period of time after such judgment or award becomes final (taking into account all appeals) but, subject to a Force Majeure Event, in no event more than one hundred twenty (120) days after such judgment or award becomes final (taking into account all appeals), the Licensee may, by written notice to the Licensor, terminate this Agreement, which termination shall be effective on the date specified in such notice (but not less than thirty (30) days after the date of such notice). Notwithstanding the foregoing, the Parties acknowledge and agree that the Licensee shall not so terminate this Agreement unless (x) the Licensor and the Licensee are not Affiliates of one another and (y) the City is not using its commercially reasonable efforts to enforce the Licensor's corresponding obligation under the Arena Agreement that is related to the Licensor's breach of this Agreement that resulted in the applicable judgment or award that is not being complied with (a "City Enforcement Failure") and the City Enforcement Failure continues for a period of thirty (30) days after written notice thereof by the Licensee to the City. The Licensee hereby acknowledges and agrees, for the express benefit of the City, that no City Enforcement Failure shall be deemed to have occurred if the City is not enforcing the relevant obligation of the Licensor under the Arena Agreement as a result of any prohibition on such enforcement pursuant to any agreement between the City and any Leasehold Mortgagee or Mezzanine Lender (as such terms are defined in the Arena Agreement), including any such agreements contained in the Arena Agreement.

20.5 Waiver. The Parties hereby waive any and all rights to consequential, punitive or exemplary damages for a Licensee Default or a Licensor Default, as the case may be.

## **ARTICLE XXI DISPUTE RESOLUTION**

21.1 Dispute Resolution.

21.1.1 Arbitration.

(a) Settlement By Mutual Agreement. In the event of any dispute, controversy or claim between or among the Parties arising under or relating in any way to this Agreement or the Parties' dealings relating hereto, including without limitation, any dispute, controversy or claim relating to the negotiations, execution, delivery, effectiveness, validity, interpretation, implementation, termination, cancellation or enforcement of this Agreement or any portion hereof, including this Article XXI (a "Dispute or Controversy"), the Parties shall first attempt in good faith to settle and resolve such Dispute or Controversy by mutual agreement in accordance with Section 21.1.1(b).

(b) Settlement Procedure. In the event a Dispute or Controversy arises, and before pursuing arbitration, either or both Parties shall provide written notice of such Dispute or Controversy to the other Party, and within fifteen (15) days after delivery of any such notice, one or more officer(s) from each Party shall meet at a mutually agreed time and place to attempt, with diligence and in good faith, to resolve and settle the Dispute or Controversy. If a mutual agreement in principle is not achieved at such meeting, the participating officers shall cooperate in a commercially reasonable manner to determine if techniques such as mediation or other techniques of amicable alternative dispute resolution might be useful. If a technique is agreed upon, a specific timetable and completion date for implementation shall also be agreed upon.

(c) Failure to Settle by Alternate Dispute Resolution. If such technique, timetable or completion date contemplated by Section 21.1.1(b) is not agreed upon within thirty (30) days after delivery of the notice implementing the procedures of this Section 21.1.1, or if no resolution is obtained through such alternative technique, or if no such settlement takes place within the fifteen (15)-day period referenced above, then any Party may by written notice to the other Party submit the Dispute or Controversy to Arbitration in accordance with the provisions of this Section 21.1.1. Subject to Section 21.1.2, no Party shall commence an Arbitration or for the limited reasons set forth in Section 21.1.2) a court proceeding without first giving a notice implementing the procedures of this Section 21.1.1. Any Arbitration or court proceeding commenced in violation of this proceeding shall be stayed (with attorneys' fees and costs awarded to the responding or defending party) until the procedures of this Section 21.1 have been complied with. Notwithstanding the foregoing, to the extent the City is a party to such Dispute or Controversy because the City is enforcing its third party beneficiary rights hereunder, then such Dispute or Controversy shall be adjudicated in accordance with the terms of Article 18 of the Arena Agreement.

(d) Resolution of Dispute or Controversy. Any Dispute or Controversy that cannot be resolved pursuant to Section 21.1.1(b) shall be submitted to, and resolved exclusively and finally through, the following arbitration process ("Arbitration"):

(i) Except as set forth below, the Arbitration Process shall be administered by the American Arbitration Association (“AAA”) under the Commercial Arbitration Rules in effect at the time the Dispute or Controversy is submitted to the AAA for Arbitration.

(ii) The panel (the “Arbitration Panel”) will consist of three neutral arbitrators (each, an “Arbitrator”) selected in accordance with applicable AAA procedures. In proposing a list of candidates for Arbitrators, AAA will take into account the Parties’ desire to obtain potential Arbitrators with significant experience in the operation of comparable sports or entertainment facilities or in the entertainment and sports business generally, or with specific experience regarding the nature of the Dispute.

(iii) Barring extraordinary circumstances, an initial conference with the Arbitration Panel shall be scheduled to take place in Sacramento, California within thirty (30) days after the appointment of the third Arbitrator. At such conference, a schedule shall be established for such discovery, if any, as a majority of the Arbitration Panel deems appropriate in light of the nature of the Dispute or Controversy and the Parties’ desire to resolve Disputes or Controversies in a prompt and cost-effective manner, and the date of the Arbitration hearing shall be established by vote of a majority of the Arbitration Panel.

(iv) Barring extraordinary circumstances, the award will be rendered no later than fourteen (14) days from the date of the conclusion of the hearing.

(v) Unless the affected Parties otherwise agree, the Arbitration shall take place in Sacramento, California. Each Party irrevocably consents to the delivery of service of process with respect to any Arbitration in any manner permitted for the giving of notices under Section 26.3.

(vi) The Arbitration Panel shall not have the authority to alter, change, amend, modify, waive, add to or delete from any provision of this Agreement.

(vii) If the Parties initiate multiple arbitration proceedings, the subject matters of which are related by common questions of law or fact and that could result in conflicting awards or obligations, such proceedings shall be consolidated into a single arbitral proceeding.

(viii) Notwithstanding anything contained in the AAA rules to the contrary, subject to Article XXIII, unless the Arbitration Panel finds that one or more claims or defenses were frivolous or knowingly false when made, each Party shall bear the cost of its own legal representation

and expert witness fees, as well as its share of the fees and costs payable to the AAA and the arbitrators, in any Arbitration under this Agreement. If the Arbitration Panel finds that one or more claims or defenses were frivolous or knowingly false when made, the Arbitration Panel shall be entitled to require the Party that made such frivolous or knowingly false claims or defenses to bear all or a portion of the other Party's legal fees and expert witness fees incurred in connection with such frivolous claims or defenses.

(ix) All provisions of this Agreement applicable to Disputes or Controversies generally, including the limitations on damages set forth herein, shall apply to the Arbitration.

21.1.2 Emergency Relief. Notwithstanding any provision of this Agreement to the contrary, each Party may seek injunctive or other equitable relief (but not a declaratory judgment) from a court of law, as described in the next paragraph with respect to any Dispute or Controversy. If a Dispute or Controversy requires emergency relief before the matter may be effectively resolved through arbitration, the Arbitration procedures set forth above will continue to govern the ultimate resolution of the Dispute or Controversy notwithstanding the fact that a court of competent jurisdiction may have entered an order providing for injunctive or other equitable relief.

21.1.3 Court Proceedings. Any action that seeks injunctive or other equitable relief or confirmation of an award rendered in an Arbitration or pursuant to Article XX may only be brought by suit, action or proceeding before any federal or state court located in Sacramento, California, and each Party hereby submits to the jurisdiction of such courts for the purpose of any such suit, action or proceeding and agrees that Sacramento, California is the proper venue for such action or proceedings. To the extent that service of process by mail or overnight courier is permitted by Applicable Law, each Party irrevocably consents to the service of process in any such suit, action or proceeding in such courts by the mailing of such process by registered or certified mail, postage prepaid, or overnight courier at its address for notice provided in Section 26.3.

21.1.4 This Article XXI shall survive any termination or expiration of the Term.

## **ARTICLE XXII SURRENDER**

22.1 Surrender of Possession. The Licensee shall, on or before the end of the Term peaceably and quietly leave, surrender and yield up to the Licensor (a) the Arena, free of subtenancies and in a reasonably clean condition and free of debris, (b) all keys for the Arena and (c) any other property used by the Licensee for the use or occupancy of the Arena, but excluding the Licensee Equipment.

## **ARTICLE XXIII INDEMNIFICATION**

23.1 The Licensee. The Licensee agrees to indemnify and hold harmless the Licensor from and against any and all liabilities, damages, suits, claims and judgments of any nature (including reasonable attorneys' fees and expenses) ("Losses") arising from or in connection with (a) any gross negligence or willful misconduct of the Licensee or its officers, employees, agents or contractors or (b) any breach by the Licensee of any representation or warranty or breach of its obligations under this Agreement, in each case, except to the extent such Losses arise from the gross negligence or willful misconduct of the Licensor.

23.2 The Licensor. The Licensor agrees to indemnify and hold harmless the Licensor from and against any and all Losses arising from or in connection with (a) any gross negligence or willful misconduct of the Licensor or its officers, employees, agents or contractors, (b) any breach by the Licensor of any representation or warranty or breach of its obligations under this Agreement or (c) any Other Event, in each case, except to the extent such Losses arise from the gross negligence or willful misconduct of the Licensee.

23.3 Procedures. If any Party (an "Indemnified Party") shall discover or have actual notice of matter for which the other Party (the "Indemnifying Party") is liable under this Article XXIII (each a "Claim"), the Indemnified Party shall, within five (5) days, notify the Indemnifying Party in writing thereof together with a statement of such information respecting such matter as the Indemnified Party then has; provided, however, the failure to notify the Indemnifying Party shall not relieve the Indemnifying Party from any liability that it may have to the Indemnified Party except and solely to the extent that such failure or delay in notification shall have adversely affected the Indemnifying Party's ability to defend against, settle or satisfy any such Claim. The Indemnifying Party shall be entitled, at its cost and expense, to appoint counsel ("Defense Counsel") to defend any such Claim by all appropriate legal proceedings provided the Indemnifying Party shall have first notified the Indemnified Party of the Indemnifying Party's intention to do so within twenty (20) days after the Indemnifying Party's receipt of such notice from the Indemnified Party. If the Indemnified Party elects to join in any defense of a Claim (which shall be at the Indemnified Party's sole cost and expense), the Indemnifying Party shall have full authority to determine all action to be taken with respect thereto. If, after such opportunity, the Indemnifying Party elects not to defend such Claim, the Indemnified Party shall have the right to appoint Defense Counsel to conduct the defense of such Claim in good faith, which defense will be vigorously and diligently prosecuted by the Indemnified Party to a final conclusion or, with the consent of the Indemnifying Party, settlement, and the Indemnifying Party shall be bound by such final conclusion or approved settlement. If required by the Indemnifying Party, the Indemnified Party shall cooperate fully with the Indemnifying Party and the Indemnifying Party's attorneys in contesting any such Claim or, if appropriate, in making any counterclaim or cross complaint against the Person asserting the Claim against the Indemnified Party, but the Indemnifying Party will reimburse the Indemnified Party for any expenses incurred by the Indemnified Party in so cooperating. The Indemnifying Party shall pay to the Indemnified Party in cash all amounts to which the Indemnified Party may become entitled by reason of the provisions of this Article XXIII, such payment to be made within thirty (30) days after such amounts are finally determined either by mutual agreement or by judgment of a court of competent jurisdiction. Notwithstanding that the Indemnifying Party

is actively conducting a defense or contest of any Claim against the Indemnified Party, such Claim may be settled, compromised or paid by the Indemnified Party without the consent of the Indemnifying Party; provided, however, that if such action is taken without the Indemnifying Party's consent, the Indemnifying Party's obligations with respect thereto shall be terminated, and the Indemnifying Party shall have no obligation to the Indemnified Party. If the Indemnifying Party elects to defend such Claim, the Indemnifying Party shall have the right to conduct the defense of such Claim in good faith and settle the Claim in good faith without the prior consent of the Indemnified Party so long as such settlement or compromise (i) does not cause the Indemnified Party to incur any present or future material cost, expense, obligation or liability of any kind or nature, (ii) does not require any admission or action or forbearance from action by the Indemnified Party, and (iii) the Indemnified Party is released from all Losses respecting such Claim.

23.4 Survival. The obligations contained in this Article XXIII will survive the expiration or earlier termination of this Agreement but only with respect to an event that may give rise to a Claim that occurs prior to such termination.

#### **ARTICLE XXIV COVENANT OF QUIET ENJOYMENT**

So long as the Licensee performs all of the Licensee's obligations under this Agreement, the Licensor shall do nothing (other than the acts permitted or required by this Agreement) that will prevent the Licensee or its licensees, guests or invitees from peaceably and quietly enjoying, using, and occupying the Arena during the Term in the manner described in this Agreement, and the Licensor shall defend the Licensee's quiet enjoyment, use and occupancy of the Arena in the manner described in this Agreement against the claims of all Persons claiming by, under or through the Licensor.

#### **ARTICLE XXV ATTORNMEN T AND NON-DISTURBANCE; ESTOPPEL**

25.1 Attornment. Subject to Section 14.1, if the Licensor's interests under the Arena Agreement are sold or otherwise transferred pursuant to any right or power conferred in any mortgage, or as a result of proceedings under such mortgage, the purchaser at such sale, or any Person otherwise acquiring title through or by virtue of such sale, shall succeed to Licensor's interests under the Arena Agreement subject to this Agreement, and in such event the Licensee shall attorn to such purchaser and recognize such purchaser as the lessor under this Agreement, and such purchaser shall have all of the rights and benefits and shall become bound to the Licensee to perform all of the Licensor's obligations, under this Agreement, including, without limitation, obligations accruing prior to the effective date of such sale or transfer.

25.2 Estoppel Certificate. Each of the Parties shall, upon the reasonable request of the other (or any current or prospective source of financing for the Licensor, the Licensee or any of their Affiliates or any transferee or assignee), and in each case within ten (10) Business Days after the other Party has requested it, execute and deliver to the appropriate Persons a certificate in recordable form stating:

25.2.1 that this Agreement is unmodified and is in full force and effect (or, if there have been modifications, that this Agreement is in full force and effect as modified and stating the modifications or, if this Agreement is not in full force and effect, that such is the case);

25.2.2 to the knowledge of the Party providing the certificate, that there are no defaults by it or the other Parties (or specifying each such default as to which it may have knowledge);

25.2.3 confirmation of the commencement and expected expiration dates of the Term;

25.2.4 the date(s) to which any financial obligation of the Party has been paid under this Agreement;

25.2.5 to its knowledge, whether there are any counterclaims against the enforcement of any Party's obligations; and

25.2.6 any other matters reasonably requested.

Notices shall be deemed given upon receipt. Any Party may, from time to time, by written notice given to the other Parties pursuant to the provisions of this Section 26.1, change the address or designees for notices to such Party or designate one or more additional Persons to whom notices are to be sent.

26.2 Relationship of Parties. No partnership or joint venture is established between the Parties this Agreement. No Party shall have any right or authority to assume or to create any obligation or responsibility, expressed or implied, on behalf of or in the name of the other Party, or to bind such Party in any manner or thing whatsoever, except as set forth herein. Subject to the indemnification provisions of Article XXIII, none of the Parties hereto shall be liable for any acts, omissions or negligence on the part of any other Party, its employees, agents, independent contractors and licensees resulting in either bodily injury, personal injury or property damages.

26.3 Severability. If any provision of this Agreement shall be adjudged invalid or unenforceable by a court of competent jurisdiction, or a final (taking into account all appeals) arbitration award, the remaining provisions of this Agreement shall not be affected thereby and shall be valid and enforceable to the fullest extent permitted by the law, provided that no such severance shall serve to deprive any of the Parties of the enjoyment of its substantial benefits under this Agreement.

26.4 Force Majeure. Failure in performance by any Party under this Agreement due to a Force Majeure Event shall not be deemed a breach of this Agreement. In addition, when this Agreement provides a time for the performance of any obligation, the time provided is extended if compliance is not possible due to a Force Majeure Event. The extension time shall be equal to one day for each day the Force Majeure Event prevents compliance.
