Dear Inglewood Unified School District (IUSD) Staff,

Over the next few months, there will be a transition in our District Office administrative team. Our Chief Business Official (CBO), Raphael Guzman has accepted a position at Beverly Hills Unified School District. We will be working closely with the Business Services Division to ensure that all duties and responsibilities are transitioned smoothly.

Our District would like to thank Raphael Guzman for his leadership, commitment, and hard work as the Chief Business Official for the last two years. Mr. Guzman's last day with IUSD will be June 30, 2022, in order to help facilitate a smooth transition. We will begin the process of recruiting and hiring a CBO immediately.

Please join me in wishing Mr. Guzman the best of luck in his new position.

Sincerely,

Erika F. Torres, Ed.D., MSW
