

Dear Inglewood Unified Family,

Thank you for a great 2021-22 school year. I am proud of our collective efforts to ensure our students, families and staff were supported through this year. The last two years have not been easy. Yet, every day we have risen to the occasion and showed up for our students and staff. We have a lot of work ahead of us as we support our students, families, and community in the recovery from this pandemic. Part of this work includes taking care of ourselves and making sure we are well and healthy.

As we wrap up the school year and transition into summer planning, I wanted to let you know that I will be on medical leave from June 13, 2022 through July 13, 2022. In my absence, Dr. Duardo, our L.A. County Superintendent of Schools has designated Dr. Art Cunha to serve as the Administrator in Charge for my role as the County Administrator. During this time, and under the direction and supervision of Dr. Duardo, Dr. Cunha will exercise all authority of the County Administrator of the Inglewood Unified School District, including the powers of the Inglewood Unified School Board of Education.

During my absence, I will focus my energy on my family, my wellbeing and healing. In this time, I ask for privacy and will see you all when I return. Know that you are in good hands with Dr. Duardo and Dr. Cunha's support.
